PASTURED POULTRY PEN

(Not to scale)

Notes:

- Removable covers are used for the open-top sections. One cover is 6'-1" x 5'-9" outside frame using 3/4" x 2 1/8" boards with one diagonal brace and covered with poultry wire mesh. Second cover is 6'-1" x 4'-3 1/2" outside frame using 1" x 3" oak (double thickness) and covered with aluminum.
- Attach aluminum panels with screws.
- All wood shall be pressure treated.
